

TIC AEROSPACE INC.

PURCHASE TERMS AND CONDITIONS

“Buyer” shall mean TIC Aerospace, Inc. “Seller” shall mean the party with whom TIC Aerospace, Inc. is contracting and to whom TIC Aerospace, Inc. has issued this Purchase Order (“Order”).

This Order constitutes Buyer’s offer to Seller and is expressly made conditional on Seller’s acceptance of TIC Aerospace, Inc.’s terms and conditions only. Any additional, different, or inconsistent terms proposed by Seller are specifically rejected, unless otherwise expressly agreed to in a writing signed by an authorized representative of Buyer. Seller shall have accepted this Order by issuance of its acknowledgment, commencement of performance or delivery hereunder, or TIC Aerospace, Inc. TIC Aerospace, Inc.’s acceptance, payment or use of any goods, products, materials, components, articles, parts, services, or other property of Seller subject to this Order (collectively “Goods”). No revision to this Order shall be valid unless in writing and signed by an authorized representative of Buyer.

SUPPLY CHAIN MANAGEMENT: Vendor must be willing to identify the entire supply chain, which includes ongoing monitoring of subcontractor quality and delivery performance.

It is the vendor’s responsibility to ensure that all TIC Aerospace, Inc. requirements are flowed down to all subcontractors used in the manufacturing process. The vendor is responsible to notify TIC Aerospace, Inc. of any changes in product and/or process, suppliers or subcontractors, and manufacturing facility location. TIC Aerospace, Inc. and their representatives must be granted right of access to the applicable areas of all facilities, at any level of the supply chain, involved in the order and to all applicable records.

Quality: TIC Aerospace, Inc. monitors supplier performance by the following indicators Quality, on time delivery*, Customer disruptions, including field returns. Seller must ensure that materials and services are produced in conformance to the required standards, and TIC Aerospace, Inc. will receive defect-free product, on time, at the agreed upon terms.

*Neither vendor nor TIC Aerospace, Inc. shall be responsible for delays or defaults due to causes beyond their respective controls and without fault or negligence.

RECORD RETENTION: Vendor is responsible to retain all records relating to the product or material it has supplied TIC Aerospace, Inc. for a period of 10 years from date of shipment. This includes all shop travels, operation sheets, and or inspection reports as well as all items listed under certifications. Vendor **MUST** be able to produce these records upon request by TIC Aerospace, Inc. within a 24-hour period.

TRACEABILITY AND SERIALIZATION: Product traceability is a requirement. Vendor must

TIC AEROSPACE INC.

provide unique identification of product batch number, lot number, or if required by the drawing, serial number. The batch, lot, or serial number must be traced to all raw material, manufacturing, and inspection records.

Vendor must ensure all products and materials supplied meet applicable product environmental compliance requirements.

If raw material is supplied by TIC Aerospace, Inc., you must assure parts are traceable by lot number and /or serial number to the raw material heat code or assigned traceable number.

If items supplied by TIC Aerospace, Inc. are serialized, seller must assure that traceability is maintained during processing.

If parts are serialized, vendor must provide with each shipment a list of serial numbers in the shipment either on the packing slip or the certification.

CERTIFICATIONS: Vendor must submit all certifications (raw material, special processes, etc.) and certified tests reports for each shipment.

Certifications and certified tests report must include:

- TIC Aerospace, Inc. INC Purchase Order Number
- TIC Aerospace, Inc., INC Part Number Drawing Number and Revision Parts List and Revision
- All manufactured or supplied are manufactured to the latest revision
- Process performed, or material provided, including type, class, grade, as applicable Specification number and revision as applicable
- Date shipped
- Name and Title of authorized representative from the company that manufactured the material, or performed the process or tests
- Unique traceability number (certification number, heat code number, batch number, etc.)
- Serial number list, if applicable
- Statement certifying that the parts covered by the certification are in compliance with the applicable purchase order number, drawing and specification requirements
- Raw Material Certification must state material is in compliance with DFAR 252.225-7014 "Alternate 1"

FAA INSPECTION: Vendor must be willing to allow Federal Aviation Administration (FAA) to perform an inspection at vendors' facility. During the performance of this order, Vendor's quality control or inspection system and manufacturing processes are subject to review, verification, and analysis by the Federal Aviation Administration (FAA). FAA inspection is not required unless you are otherwise notified.

TIC AEROSPACE INC.

INSPECTION: Product or material is not deemed accepted until they pass inspection. TIC Aerospace, Inc. shall have 10 days from actual date of delivery to inspect products and/or materials. If the product or material are rejected, in whole or part, they shall be returned to Vendor at the Vendors cost and the delivery shall not be considered to have been timely made. Payment of an invoice does not limit TIC AEROSPACE, INC remedies.

CONFIDENTIAL INFORMATION; OWNERSHIP OF DOCUMENTS AND MATERIALS:

Vendor will treat as confidential and not disclose any information received from TIC AEROSPACE, INC. Vendor will use such information only as necessary to fulfill its obligations under the Purchase Agreement. Upon termination of the Purchase Agreement, all such information will be destroyed by Vendor. Vendor will not make any announcement or release any information concerning the Purchase Agreement to any other person or entity, except as required by law, unless prior written consent is obtained from TIC Aerospace, Inc.

ACCEPTANCE: This Purchase Order constitutes TIC Aerospace, Inc. offer to purchase from Vendor the products/materials described herein upon the terms and conditions stated herein and shall become a binding Agreement when accepted by Vendor. Any variance or amendment to any part of this Purchase Order (including any supplements, specifications or other documents incorporated herein by reference) is hereby objected to and is void unless expressly accepted by TIC Aerospace, Inc. in writing. TIC Aerospace, Inc. shall not be deemed to have accepted any offer of Vendor and shall not be responsible for goods shipped to TIC Aerospace, Inc. under except in accordance with the terms and conditions.

CANCELLATION: TIC Aerospace, Inc. reserves the right to terminate the Purchase Order or any part thereof, by written notice, and to refuse to accept delivery, or at Vendors cost, to return goods already delivered if shipment is made later than the day specified or if Vendor breaches or anticipatorily breaches any of the terms and conditions or if any shipments are not in accordance with TIC Aerospace, Inc. purchase order, shipping instructions, including but not limited to specification of delivering carrier.

INVOICES: Vendor shall mail invoices in at the time of shipping, showing purchase order number, part number and description, whether articles are prepaid or collect point of shipment, method of shipment in accordance with instructions on page one of Purchase Order. TIC Aerospace, Inc. shall pay invoice in or before 30 days after receipt of an acceptable receipt of conforming goods. On collect shipments, Vendor shall attach a copy of the Bill of Lading or transportation receipt to the invoice and retain the original copy of such documents on file. If the goods or the tender of delivery fail to conform to this Agreement, TIC Aerospace, Inc may reject the goods in whole or in part without liability.

CHARGES: No charges shall be made for cartons, wrapping, packing, boxing, crating, or other costs, unless written authority from TIC Aerospace, Inc. for such charges is expressly incorporated herein by TIC Aerospace, Inc.

PACKING REQUIREMENTS: All packaging must be of sufficient quality to carefully and safely

TIC AEROSPACE INC.

transport the goods purchased and to assure lowest transportation costs. Material and/or goods incorrectly packaged where damage may or has occurred will be subject to rejection at no cost to TIC Aerospace, Inc. Packing slips must accompany each shipment. Order number and part serial number shall appear on all shipping labels, packing slips, transport documents, invoices, and correspondence. TIC Aerospace, Inc. shall have the right to reject and ship back at Vendors expense shipments which do not meet TIC Aerospace, Inc. shipment requirements as specified herein.

Compliance with Law: Seller shall comply with the provisions of all applicable federal, state, and local laws, regulations, rules, and ordinances applicable to this Order and purchased goods thereunder, including without limitation, any fair labor standards or statutes and any statute or regulation regulating occupational safety and health.

Export/Import Controls. If applicable to this Order, Seller shall control the disclosure of and access to technical data, information and other items received under this Order in accordance with U.S. export control laws and regulations, including but not limited to the International Traffic in Arms Regulations (ITAR). Seller agrees that no technical data, information, or other items provided by TIC AEROSPACE, INC. in connection with this Order shall be provided to any foreign persons or to any foreign entity, including without limitation, a foreign subsidiary of Seller, without the express written authorization of TIC AEROSPACE, INC. and the Seller's obtaining of the appropriate export license, technical assistance agreement or other requisite documentation for ITAR-controlled technical data or items. Seller shall indemnify TIC AEROSPACE, INC. for all liabilities, penalties, losses, damages, costs, or expenses that may be imposed on or incurred by TIC AEROSPACE, INC. in connection with any violations of such laws and regulations by Seller.

Seller shall immediately notify TIC AEROSPACE, INC. if it is or becomes listed on any excluded or denied party list of any agency of the U.S. Government or its export privileges are denied, suspended, or revoked.

Packing and Shipment. Seller agrees to process, package, and ship all Goods in conformity with any purchase specifications supplied in order. All packing shall be at Seller's expense, in suitable containers for protection in shipment and storage. Packing must conform to applicable carrier regulations. Packing lists shall accompany each shipment, showing Buyer's Order number and description of Goods. Goods shall be packaged in a manner to protect from loss and deterioration.

Unless otherwise stipulated by TIC Aerospace, Inc., all Goods shall be shipped F.O.B. and to the destination or point of delivery specified in the Order. Title and risk of loss of all Goods subject to this Order shall remain with Seller until delivery and acceptance of Goods by Buyer.

Delivery and Title. Time is of the essence for the delivery schedule for this Order. Seller shall deliver all orders for Goods on time. The delivery date shall be the date designated by Buyer in written material releases or other writing. If delivery of Goods is delayed beyond the time indicated herein for any reason, Buyer reserves the right without liability (in addition to its other rights and remedies) to cancel this Order by written or verbal notice confirmed in

TIC AEROSPACE INC.

writing (which notice shall be effective when received by or communicated to Seller). Upon such cancellation, as to any of the Goods not shipped, Buyer, at its sole discretion, may decide to purchase substitute Goods elsewhere.

Capacity. Seller represents that the production capacity quoted to TIC Aerospace, Inc. is based on a tooling and production plan capable of supplying goods to support TIC Aerospace, Inc.'s requirements.

Price. Seller represents that any price or prices specified in this Order do not exceed Seller's current selling prices for the same or substantially similar goods. Unless otherwise stipulated in writing by Buyer and Seller, the sum of all prices listed in this Order shall represent the total cost to TIC Aerospace, Inc. as at the point of delivery specified herein, including all taxes, charges for packing, crating, boxing, storage, and shipping. If price is not clearly listed or stipulated on this Order, it is not a valid Order and Seller shall confirm with TIC Aerospace, Inc. in writing the price before filling or performing the Order.

Payment. TIC Aerospace, Inc. shall make payment for conforming materials at the price stated in the Agreement. The price of any releases shall be the limit of the liability of buyer for the Materials. Seller shall invoice TIC Aerospace, Inc. upon shipment of an order. Unless otherwise noted in the order, TIC Aerospace, Inc.'s standard payment terms are net 30 from invoice date. At TIC Aerospace, Inc.'s option, Seller may invoice electronically. Address all invoices to:

TIC Aerospace, Inc. 6962 NW 50 Street, Miami FL 33166

Termination for Convenience. TIC Aerospace, Inc. may, by notice in writing, terminate this Order or work under this Order for convenience and without cause, in whole or in part, at any time, and such termination shall not constitute default. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Order. In the event of termination for convenience by Buyer, Seller shall be reimbursed for actual, reasonable, substantiated and allowed costs, plus a reasonable profit for work performed to the date of termination. TIC Aerospace, Inc. may take immediate possession of all work so performed upon written notice of termination to Seller. Seller's obligations, including but not limited to obligations under the warranty, proprietary rights, infringement, and indemnity against claims provisions, shall survive such termination.

Termination for Default. TIC Aerospace, Inc. may, by notice in writing, terminate this Order in whole or in part at any time for Seller's breach of any one or more of its terms, for failure to make progress to endanger performance of this Order, or failure to provide adequate assurance of future performance. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Order.

Force Majeure. Neither TIC Aerospace, Inc. nor Seller shall be liable for failures or delays that arise out of causes beyond their reasonable control and without their fault or negligence. Such causes include acts of God or of the public enemy, acts of the Government in its sovereign

TIC AEROSPACE INC.

or contractual capacity, fires, floods, epidemics, terrorism, quarantine restrictions, strikes, freight embargoes, and unusually severe weather. In the event that performance of this Order is hindered, delayed or adversely affected by causes of the type described above ("Force Majeure"), the party whose performance is so affected shall so notify the other party's authorized representative in writing and, at TIC Aerospace, Inc.'s option, this Order shall be completed with such adjustments as are reasonably required by the existence of Force Majeure or this Order may be terminated for convenience by TIC Aerospace, Inc.

Disputes. Any controversy or claim that may arise out of or in connection with this Order that after good faith negotiations cannot be resolved to both Parties' mutual satisfaction may be resolved by submitting the claim to a court of competent jurisdiction. Pending resolution or settlement of any dispute arising under this Order, Seller shall proceed diligently as directed by TIC Aerospace, Inc. with the performance of this Order.

Governing Law and Venue. This Order and the acceptance of it shall, as provided herein, constitute a contract made in and be governed in all respects by the laws of the state of Florida and venue for purposes of any action brought to enforce or construe the PO shall lie in Suwannee County, Florida.

Proprietary rights. Unless otherwise expressly agreed in writing all specifications, information, data, drawings, software, and other items which are supplied to Seller by TIC Aerospace, Inc., or obtained or developed by Seller in the performance of this Order or paid for by TIC Aerospace, Inc., shall be proprietary to Buyer, shall only be used for purposes of providing Goods to TIC Aerospace, Inc. pursuant to this Order, and shall not be disclosed to any third party without Buyer's express written consent. All such items supplied by Buyer or obtained by Seller in the performance of this Order or paid for by Buyer shall be promptly provided to Buyer on request or upon completion of this Order.

TIC Aerospace, Inc.'s Property. All drawings, tools, fixtures, materials, and other items supplied or paid for by Buyer shall be and remain the property of Buyer. All such items shall be used only in the performance of work under this Order unless Buyer consents otherwise in writing. Seller shall have the obligation to maintain all property furnished by TIC Aerospace, Inc. to Seller and shall be responsible for all loss or damage to said property except for normal wear and tear.

Seller warrants that all Goods furnished under this Order shall conform to all specifications and appropriate standards, will be new, and will be free from defects in material or workmanship. Seller warrants that all Goods furnished hereunder will be merchantable and will be safe and appropriate for the purpose for which Goods of that kind are normally used. If Seller knows or has reason to know the purpose for which TIC Aerospace, Inc. intends to use the Goods, Seller warrants that such Goods will be fit for such purpose. Inspection, test, acceptance or use of Goods furnished hereunder shall not affect Seller's obligations under this warranty, and such warranty shall survive inspection, test, acceptance, and use. Seller's warranty shall run to TIC Aerospace, Inc., its successors, assigns and customers, and users of products sold by Buyer. Seller agrees to replace or correct defects of any Goods not

TIC AEROSPACE INC.

conforming to the foregoing warranty promptly, without expense to TIC Aerospace, Inc. TIC Aerospace, Inc. when notified of such nonconformity by TIC Aerospace, Inc, if TIC Aerospace, Inc. elects to provide Seller with an opportunity to do so. In the event of failure of Seller to correct defects in or replace nonconforming Goods, Buyer, after reasonable notice to Seller, may make such

corrections or replace such Goods and charge Seller for the costs incurred by Buyer in doing so. Seller shall be liable for and save TIC Aerospace, Inc. harmless from any loss, damage, or expense whatsoever that TIC Aerospace, Inc. may suffer from breach of these warranties.

Inspection and Acceptance. All Goods are subject to TIC Aerospace, Inc's inspection, testing and approval, both at Seller's facility and Buyer's point of destination. Buyer reserves the right to reject and refuse acceptance of any Goods which do not comply with all the terms of this Order. Acceptance, payment, use, or resale of Goods by TIC Aerospace, Inc. shall not release Seller of any of Seller's obligations, representations, or warranties hereunder. Payment for any Goods shall not be deemed an acceptance hereof.

In the case of any defective or damaged Material, including but not limited to non-compliance with Seller's Quality System requirements, Seller agrees to initiate any required corrective action within a timely manner from the date that Buyer request such action by performing proper root cause analysis and submitting an appropriate corrective action plan. Failure to respond to corrective actions may disqualify the Seller from being an approved supplier.

TIC Aerospace, Inc. shall have the right by written order to suspend work or to make changes from time to time in services to be rendered or the materials to be furnished by Seller hereunder or the delivery date. If such suspension or changes cause an increase or decrease in the cost of performance of this Order or in the time required for its performance, an equitable adjustment shall be negotiated promptly, and the Order shall be modified in writing accordingly. Any claim by Seller for adjustment must be asserted in writing within five (5) days from the date of receipt by Seller of notification of the change or suspension and shall be followed as soon as practicable with specification of the amount claimed and supporting cost figures. However, Seller shall not be excused from processing the Order as so changed by Buyer pending resolution of any claim made by Seller for adjustment.

Seller warrants that all work, items, materials, equipment, or Goods provided by Seller pursuant to this Order, which are not of Buyer's design, shall be free from claims of infringement (including misappropriation) of third party intellectual property rights, and that any use or sale of such items by Buyer or any of Buyer's customers shall be free from claims of infringement. Seller shall indemnify and save Buyer and its customers harmless from all expenses, liability, and loss of any kind (including all costs and expenses including attorney's fees) arising out of claims, suits, or actions alleging such infringement. If requested by Buyer, Seller agrees to defend at Seller's expense any claims, suits or actions alleging such infringement.

TIC AEROSPACE INC.

Subcontracting and Assignment. Seller shall not assign this Order, any rights or obligations under this Order or any monies due or to become due hereunder nor delegate or subcontract any obligations or work hereunder without the prior written consent of Buyer. No purported assignment or delegation by Seller shall be binding on Buyer without such consent.

Liability for Injury. Seller shall indemnify and hold Buyer harmless against all loss and liability on accounts of claims of personal injury, death and property damages resulting from any act or omission of Seller (including its agents, employees, or subcontractors) during performing this Order, including any Goods delivered hereunder.

Compliance with Law. Seller shall comply with the provisions of all applicable federal, state, and local laws, regulations, rules, and ordinances applicable to this Order and purchased goods thereunder, including without limitation, any fair labor standards or statutes and any statute or regulation regulating occupational safety and health.

Conflict Minerals. Seller shall disclose if any Goods delivered, supplied, or manufactured under this Order contain "Conflict Minerals" from the Democratic Republic of Congo ("DRC"), or any adjoining country (together with the DRC, "Covered Countries"). The term "Conflict Minerals" shall have the meaning ascribed to it under Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Act"), meaning wolframite, cassiterite, columbite-tantalite (coltan), gold and their derivative metals: tantalum, tin, and tungsten. To the extent required therein, Seller commits to complying with the Act. Seller shall maintain effective accounting procedures, internal controls, and audit procedures necessary to verify compliance with the Act.

Raw Material DFAR. All materials provided by Seller must meet FAR and DFAR regulations.

Export/Import Controls. If applicable to this Order, Seller shall control the disclosure of and access to technical data, information and other items received under this Order in accordance with U.S. export control laws and regulations, including but not limited to the International Traffic in Arms Regulations (ITAR).

Seller agrees that no technical data, information, or other items provided by Buyer in connection with this Order shall be provided to any foreign persons or to any foreign entity, including without limitation, a foreign subsidiary of Seller,

without the express written authorization of Buyer and the Seller's obtaining of the appropriate export license, technical assistance agreement or other requisite documentation for ITAR-controlled technical data or items. Seller shall indemnify Buyer for all liabilities, penalties, losses, damages, costs, or expenses that may be imposed on or incurred by Buyer in connection with any violations of such laws and regulations by Seller. Seller shall immediately notify Buyer if it is or becomes listed on any excluded or denied party list of any agency of the U.S. Government or its export privileges are denied, suspended, or revoked.

TIC AEROSPACE INC.

Quality System. External suppliers shall implement a quality system.

The external provider is responsible for the identification and maintenance of quality system records relating to the purchase order. TIC Aerospace, Inc., its customers and applicable regulatory authorities reserve the right to access these records. The records shall be maintained for 10 years in a manner that allows them to be readily retrievable and prevent damage.

Monitoring of Your Performance. TIC Aerospace, Inc. will be monitoring your performance relating to material / part quality & on-time delivery. You will be notified when your performance falls below acceptable norms.

Right of Access. TIC Aerospace, Inc, its customers and applicable regulatory authorities reserve the right to enter the external provider to verify compliance to purchase order documentation. This may include in-process and final inspection, quality system audit and review of required documentation.

Inspection and Test Reports. The external provider agrees to maintain objective evidence to assure conformance to the purchase order requirements. The objective evidence may include: dimensional data sheet, certificates of conformity, test reports, statistical records, and process control.

- **Certificates of Conformance** shall include the following:
 - Part Number and Revision Level
 - Specification Number and Revision
 - Purchase Order Number
 - Quantity
 - Serial Number, when applicable
 - Signature and date of authorizing quality assurance representative
- **Test Reports.** This includes the chemical and physical test reports or material certifications. If a machine shop purchases the stock material, the shop will request the chemical and physical test reports from the mill and supply this documentation with the finished product.
- **Change of Process.** The external provider shall notify TIC Aerospace, Inc. if there has been a significant product or process change related to the items in the purchase order specification or the quality management system. The external provider Quality Assurance Manager will contact the TIC Aerospace, Inc. Quality Manager in writing of the change. The external provider agrees to provide information pertaining to the product quality with the change. TIC Aerospace, Inc. ORGANIZATION quality will review and approve the change, as required.
- **Foreign Objects.** The external provider shall provide provisions for the prevention, detection, and removal of foreign objects.
- **Awareness.** External suppliers shall ensure that persons are aware of their contribution to product or service conformity, contribution to product safety and the

TIC AEROSPACE INC.

importance of ethical behavior.

- **Competency.** Personnel shall be competent to assure that TIC Aerospace, Inc. purchase order requirements have been met.
